

# Hyde Park Golf and Country Club

Cincinnati, Ohio

## Employment Opportunity: Assistant Grounds Superintendent

Originally founded in 1909, Hyde Park is consistently recognized as a club of excellence, providing a traditional country club atmosphere with exceptional hospitality and modern amenities, including an outstanding Donald Ross 18-Hole golf course.

The Grounds Department's **mission** is to provide the highest quality of conditioning on a daily basis for the members and guests. The Assistant Grounds Superintendent plays in an integral leadership role in collaboration, critical thinking and decision making in all facets of the operation including but not limited to:

- Moisture Management
- Team leadership and operations management of 20 team members
- Budget and agronomic program development
- Attendance of committee meetings
- Mentoring of turfgrass interns and Assistant-in Training
- Membership updates
- Pesticide and fertilizer applications
- Irrigation installs and repair
- Vendor relations
- Management of cool and warm season turfgrass species

***Project Management***

*Data collection and interpretation*

*Cultural Practices*

Hyde Park provides an excellent opportunity to develop and hone skills in both turfgrass management and leadership. The ideal candidate will have strong critical thinking skills, eager to learn and ultimately aspire to become a Golf Course Superintendent.
