Summer Internship
By Meridian Hills Country Club, Indianapolis, Indiana,

Meridian Hills Country Club is a private 18-hole golf club built in 1923, just minutes away from downtown Indianapolis, IN. We are searching for a team member who is looking to further advance their career in the golf course industry. This position has opportunities for upward mobility, and will provide you with all the tools you need to become an AIT. Regardless of past experience, our goal is for you to become proficient in all aspects of daily golf course maintenance.

MHCC is a very detail-oriented workplace that takes pride in every inch of the property, with the overall experience of those who come to enjoy it in mind. You will gain the knowledge of "why" you are performing each task, so you can confidently answer any questions from the membership or guests on the course. You will also have the opportunity to work with some of the latest equipment and technology in the industry including GPS sprayers, Toro Lynx irrigation, new maintenance facility etc.

We work in a high paced environment to provide the best playing conditions for our membership each day, while also ensuring adequate time away from work for each employee to recharge. We will also provide you with the opportunity to further your education and network with others in the industry at local conferences and events.

Daily tasks will include but are not limited to:

- Course set-up
- Walk mowing and ride on mowing
- Moisture management
- Fertilizer and pesticide applications
- Various re-construction projects
