

For the Discerning gardener

[Riverdale Nursery](#) is seeking qualified employees to work as seasonal laborers, weeders, waterers, and movers.

Riverdale is also seeking a qualified propagator. This position is more scientific in nature and stationary compared to most of the nursery work. The opportunity would be useful for someone learning propagation techniques and is a year-round position.

Contact Ms. Debra Taylor at riverdalenursery@aol.com or 865-546-2829.
