

CAVES VALLEY GOLF CLUB

## 2022 Caves Valley Golf Club Internship

### **Educational Requirements:**

Currently enrolled in a two or four-year Turfgrass Management degree, certificate program, or related field.

### **Experience Requirements:**

Prior golf course or sports turf experience preferred, but not required.

### **Job Description:**

Caves Valley Golf Club is looking for highly motivated, team-oriented individuals with a goal of advancing in the industry. Our philosophy is to ensure students are ready to progress into the next stages of their careers upon completion of their internship at Caves Valley. Individuals will work closely with the Superintendent and Assistants in developing their skill set in an array of management tasks necessary to provide championship conditions in the transition zone. Tasks include, but are not limited to: Course Set Up, Calibration, Plant Protectant and Fertilizer Application, Irrigation Repair and Troubleshooting of a newly installed state of the art irrigation system, and Hand Watering. The position will provide opportunities to lead small crews and motivate staff to complete an assortment of jobs. Individuals will have the option for tournament volunteer experience to help diversify their network and skill sets. Full-time employment available upon completion of degree or certification program.

### **Course Description:**

Caves Valley Golf Club is an 18-hole, private golf only facility located 15 miles northwest of Baltimore, Maryland. The Tom Fazio design has been consistently ranked as one of the top courses in the state of Maryland and the Mid-Atlantic region. Since its opening in 1991, Caves Valley Golf Club has hosted several events, including the 1995 US Mid Am, the 2002 US Senior Open, the 2017 Constellation Senior Players Championship, and most recently the 2021 BMW Championship. The golf course consists of Pure Distinction bentgrass greens, Penncross bentgrass tees and fairways with a Tall Fescue, Kentucky Bluegrass, and Perennial Ryegrass mixture for rough. Caves Valley underwent a full-scale bunker renovation, partial tee renovation, new irrigation installation, and intermediate rough renovation. Caves Valley is amid long ranging planning consisting of renovations to remaining tees, fairways, roughs and drainage.
