

INTERNSHIP OPPORTUNITY

WELCOMING ALL UNDERGRADUATE STUDENTS
INTERESTED IN AGRICULTURE DISCIPLINES

UP TO 40 HRS/WEEK

PAYSCALE: \$11/HR

Questions:

ksheldon1@utk.edu

The CROP PHYSIOLOGY research team is looking for part time students with a background or interest in agriculture to join our team. Work in lab, greenhouse, and field environments this summer. Earn internship credit and expand your knowledge about row crop production. Email resumes to ksheldon1@utk.edu
