

Job Title           Assistant Turf Manger/Golf Supervisor  
Department       Maintenance of Practice Grounds - 40341  
Pay Grade          8  
Job Category      Support Staff

Job Summary

The Department of Maintenance of Practice Grounds is accepting applications for an Assistant Turf Manager/Golf Supervisor. This position reports directly to the Sports Turf Manager and carries out and assigns duties as directed. The Assistant Turf Manager/Golf Supervisor possesses skills and knowledge of specific maintenance techniques for the ETSU Golf Facility. This position will act as the lead irrigation technician for the ETSU Golf Facility and athletic field irrigation systems. This position works independently and supervises the work of others at the ETSU Golf Facility.

Facilities employees may be required to report at their regularly scheduled times during emergency closures or during inclement weather to perform essential functions including snow removal duties.

The value of employment at ETSU goes far beyond salary. The official workday is 7.5 hours, which includes a one-hour lunch/meal break. Regular benefited ETSU employees enjoy a full range of benefits, services, and programs including:

Paid time off & leave

17 paid holidays

Educational Assistance

Health and life insurance

Retirement

Access to University facilities and services and much more!
