

## **2nd Assistant Superintendent**

Vestavia Country Club is a private golf course founded in 1948. In 2017, Lester George completed a course wide renovation and extensive redesign featuring AU victory bentgrass greens, zorro zoysia fairways, tees, approaches, and 419 bermuda roughs. The renovated course debuted as no. 4 on the 2018 best new private courses list. Vestavia Country Club also has a par three course with mini verde greens, this is a great opportunity to learn both bentgrass and bermudagrass management. The second assistant superintendent will work closely with the Director of Agronomy and management team to provide elite playing conditions for members.

Responsibilities include:

- Train staff and implement procedures
- Chemical and fertilizer applications
- Maintain proper pesticide records
- Oversee daily water management
- Ensure safe and efficient workplace
- Crew Management, oversee 20+ employees
